

# Holly Grove Meadows General Plan

The Holly Grove Meadows residential subdivision will create around 290 dwelling units with the 70.38 acre parcel located at 1438 Holly Grove Road (57 105.00). The development will be requested as a PUD to include walking trails, amenities center, sidewalks and brick/stone exterior accents on the homes. The housing units will include around 290 single-family lots. Project is proposed to use city water, sewer and electric.
